Bold Choice is a high-energy 5-piece band from Peoria, Illinois, bringing pop punk, emo, and alt-rock nostalgia to life. Known for tight performances, strong crowd connection, and a professional-grade playback setup, we cover scene staples like Blink-182, Jimmy Eat World, Fall Out Boy, and more—along with original material that fits right in. We elevate each performance with synced lyric and music visuals displayed on-stage via our TV setup, adding a dynamic visual layer that keeps the audience engaged from start to finish.
